FINAL DE LA MISIÓN ... CARGANDO DATOS

Comprender diálogos breves en inglés exige reconocer la intención comunicativa. En esta Misión, identificaste expresiones coherentes y naturales para conversaciones cortas, descartando opciones gramaticalmente correctas que no respondían a la situación. Este avance consolida el nivel A2 y proyecta la suficiencia B1 del MCER, facilitando interacciones funcionales en contextos sociales o laborales. Dicho aprendizaje fundamenta retos de mayor complejidad, donde interpretarás textos extensos manteniendo la coherencia en intercambios comunicativos de mayor longitud, precisión y naturalidad ante situaciones reales que exigen un dominio integral del idioma inglés contemporáneo.
