Language Tools

La estructura informativa se sostiene en señales lingüísticas que determinan la jerarquía del contenido. No se trata de intuición, sino de recursos que marcan lo principal y lo secundario con claridad.

Nivel	Recurso lingüístico	Regla de uso	Ejemplo correcto	Error común
Main idea	Oración temática.	Aparece al inicio del párrafo, introduce el tema general con un sujeto amplio y un verbo de acción.	*Climate change affects all regions of the world.*	✗ Empezar con un ejemplo sin presentar el tema: *Germany reduced emissions last year.*
Detail – Example	Conectores de ejemplificación (*for example, for instance, such as*).	Introducen un caso que ilustra la idea central.	*Several countries, such as Brazil and Chile, invest in renewable energy.*	✗ Usar *and* como si fuera un conector explicativo.
Detail – Data	Inclusión de cifras, fechas, nombres.	Refuerzan la idea con precisión cuantitativa o factual.	*In 2022, renewables generated 40 % of Germany's electricity.*	✗ *Dar la cifra sin anclarla a la idea central.*
Detail – Contrast	Conectores comparativos (*while, whereas, on the other hand*).	Señalan diferencias entre casos dentro del mismo tema.	*Germany increased its wind energy, while Spain focused on solar.*	✗ Usar *but* de forma repetitiva en textos formales.
Reinforcement	Repetición controlada de Keywords.	La palabra clave del tema reaparece para mantener cohesión.	*Renewable energy… Renewable energy projects… Renewable sources…*	✗ Cambiar constantemente de sinónimos y perder el *foco temático.*

MATERIAL PARA REVISIÓN

Con este repaso final, tu preparación queda completa y lista para el siguiente nivel. Ha llegado el momento de demostrarlo: inicia la Prueba de Campo, donde enfrentarás preguntas tipo Saber 11. Aplica lo aprendido con seguridad y determinación. ¡Mucho éxito en esta misión!

TWICE Announce Australian Dates for 2025 World Tour

The popular K-Pop group TWICE has added Australian dates to their highly anticipated "This Is For" world tour. Produced by JYP Entertainment and promoted by Live Nation, the tour will feature two Sydney shows at Qudos Bank Arena on November 1st and 2nd, followed by two more shows at Melbourne's Rod Laver Arena on November 8th and 9th. This marks the group's return to Australia, following their fifth world tour which drew 1.5 million fans across 51 shows globally. The new tour promises an immersive experience, with all venues featuring a state-of-the-art 360-degree stage design that allows fans to see the performance from every angle. Pre-sale tickets for Australia will be available to Live Nation members starting August 7 at 10 AM, with general ticket sales opening on August 8 at 11 AM (local time). Additionally, TWICE recently released their fourth full album This Is For on July 11, further adding excitement to the tour.

TWICE's legacy continues to grow: debuted in 2015, the nine-member group has released four full albums and 14 mini-albums, selling over 20 million records across Korea and Japan. They became the first female K-pop group to headline major US stadiums like SoFi and MetLife, and the first foreign female act to perform at Nissan Stadium in Japan. Their widespread fame is further reflected topping global charts and earning over 100 million views for 24 of their music videos.

Rolling Stone Australia. (2025, August 1). TWICE announce Australian tour dates for "This Is For" world tour. Rolling Stone Australia.

Nairo Quintana: A Historic Colombian Victory at the 2016 Vuelta a España

On September 11th, 2016, the Vuelta a España ended in Madrid after three weeks of competition across 21 stages. Colombian cyclist Nairo Quintana, riding for the Movistar Team, won the general classification with a total time of 83 hours, 31 minutes, and 28 seconds. He became the second Colombian in history to win the Vuelta, after Luis Herrera's victory in 1987.

The 2016 edition began on August 20th in Galicia and covered more than 3,200 kilometers. Quintana built his triumph during the mountain stages, especially the climb to Lagos de Covadonga, where he took the leader's red jersey. His closest rivals were Chris Froome, from Team Sky, who finished second, and Esteban Chaves, another Colombian, who ended in third place. This result marked the first time two Colombians shared the final podium of the Vuelta.

The victory was celebrated in Colombia with massive events in Bogotá and Boyacá. The Colombian government recognized Quintana's success as a source of national pride, highlighting that it inspired thousands of young athletes. The Vuelta a España 2016 registered audiences of more than 300 million viewers worldwide, confirming the global relevance of cycling and the impact of Colombian riders on the sport.

MATERIAL PARA REVISIÓN

1. According to the passage, where did the cycling event conclude in 2016?

- **A.** It came to an end in Spain's capital city.
- **B.** It finished in the main city of Catalonia.
- **C.** It concluded after celebrations in Boyacá.

2. Who managed to win the overall title in that year's competition?

- **A.** The first Colombian champion of the eighties.
- **B.** The British cyclist competing for Team Sky.
- **C.** The Colombian athlete riding for Movistar Team.

3. How many stages were included in the edition held in 2016?

- **A.** The race was shortened to only twenty stages.
- **B.** It had a total of twenty-one official stages.
- **C.** It was composed of exactly twenty-two stages.

4. In what year had Luis Herrera previously obtained the same trophy?

- **A.** He achieved his victory three decades after 2016.
- **B.** He became champion during the nineties decade.
- **C.** He reached the title during the season of 1987.

5. Which particular climb allowed Quintana to secure leadership?

- **A.** The demanding ascent known as Lagos de Covadonga.
- **B.** The famous French mountain called Mont Ventoux.
- **C.** The long Spanish stage crossing Sierra Nevada.

6. Which competitor arrived second in the general standings?

- **A.** The British cyclist associated with Team Sky.
- **B.** The Colombian rider who finally got third place.
- **C.** The Spanish champion recognized as Contador.

7. How many Colombian representatives stood on the last podium?

- **A.** Only one South American rider appeared there.
- **B.** There were exactly two athletes from Colombia.
- **C.** A total of three Colombian cyclists succeeded.

8. Approximately, how many spectators followed the event globally?

- **A.** About one hundred and fifty million international fans.
- **B.** Close to two hundred million people from different nations.
- **C.** More than three hundred million viewers worldwide.

FINAL DE LA MISIÓN ... CARGANDO DATOS

En esta Misión exploraste la comprensión literal mediante textos actuales sobre giras musicales y deportes. El objetivo fue identificar información explícita (fechas, lugares, cifras) y distinguirla de detalles secundarios. Descubriste que los distractores usan información real, pero no responden a la pregunta. La clave: leer con atención, usar palabras ancla y verificar la coincidencia literal. Esta lectura refuerza la búsqueda de información precisa en inglés, paso previo a la inferencia e interpretación crítica. Practicar esta competencia es vital para el examen y para enfrentar textos académicos y cotidianos del mundo real, facilitando el análisis de contenidos complejos en diversos contextos.
